learn to play the champion's way!

Barrow Raiders have a reputation throughout south Cumbria for delivering high-quality, exciting coaching and other activities in schools and the wider community.

Our work extends from our popular Raider's Camps at Craven Park, through to "Street Rugby" and multi-sports sessions, working with young people in a fun and safe environment. Rugby league players are great role models in our community, inspiring children to take part and get involved in sport and other positive activities.

Our new programme of camps for 2010 is more action packed than ever before, offering children the opportunity to take part in a range of fun activities during the school holidays, with all proceeds going back into our community development work. The sessions give youngsters the chance to take part in both rugby and other sports, as well as dance and other healthy lifestyle activities.

They also get to meet their heroes from the Raiders, our mascot, Willie Two-Hornes and to watch Championship-winning rugby league at Craven Park.

This new programme is designed for children aged 6 to 14 and is suitable for all abilities, running from 9.30am registration until 3.30pm pick-up at each session.
